The Oar House Bar and Grill

There are a number of places to eat in Pacific City but the newly opened Oar House Bar and Grill is, in my opinion, the best.

Whether you are looking for a snack to tide you over or a meal after a day of adventure, the menu will have something to suit your needs. Prices are kept affordable whilst maintaining a high quality of food and the settings are clean and very apt to the area with natural wood table tops and serving areas.

Located close to the beach, and right across from the river, The Oar House Bar and Grill is easily found and accessible. As an added incentive, they also provide cable, meaning, for anyone wishing to follow the excitement of the World Cup tournament, you don't miss any of the games.

The menu provides a wide variety of foods from Sandwiches, burgers, appetizers, soups and salads to a dinner menu, pasta and dessert menu. As I mentioned, prices are kept very reasonable. Expect to pay an average of only \$8.50 for a main meal or as little as \$3.50 for a salad. The staff are friendly and helpful and you will want to keep coming back.

The Oar House Bar and Grill is located at 34455 Brooten Road, Pacific City.

I recommend anyone take a visit to the Oar House Bar and Grill.
